### BRITAIN TO BE PREPARED

LONDON, Eng., July 22.—Winston Churchill, first lord of the admiralty, today uttered another pointed warning to Germany that Great Britain is determined to maintain her supremacy upon the seas and will meet each advance in Germany's naval program by a still greater advance in the laying down of fighting ships. Following the recent speech of Lloyd George, chancellor of the exchequer, that the British public would always be able to raise money to meet national crises and that the admiralty would soon announce a supplemental building program to meet that recently announced by Germany, the announcement of the naval plans were received with cheers by the house of commons.

Mr. Churchill announced that the plans of the admiralty called for the immediate use of the surplus which had been set aside as an emergency naval fund and which amounted for the present fiscal year to five million dollars. In asking that this amount be voted, the admiralty lord stated that he was convinced that Great Britain would build untrigly as the only means of defense against the menace that threatened from the North Sea.

### SWEDEN LEADS IN VICTORY POINTS.

STOCKHOLM, Sweden, July 22.—The Olympic games came to an end today with Sweden the winner of the most points gained by the entrants of any one nation. The final totals tonight gave Sweden 133 points, the United States 129 and Great Britain 76.

The last points made by the Swedes, which ran their total above that of the United States, were made in the yachting events in which America was not represented. In everything except the yachting contests America had scored twenty-four points more than Sweden and sixty-two more than the United Kingdom.

In all there were more than three thousand athletes present and taking part in the events, more than eight hundred of whom were representatives of Sweden. Twenty-seven countries were represented. America had 136 men entered in the games; Great Britain had 287, Austria-Hungary had 335, Germany had 183, France had 144, Canada had 54 and Denmark had 550.

## BRO. DUTTON IN GOOD HEALTH DESPITE REPORTS

Despite numerous reports which have been appearing in the United States and Philippine Island newspapers from time to time that Brother Dutton is dying, the Catholic missionary on Molokai has sent word to the United States and Honolulu to the effect that he is very much alive and has not been afflicted with leprosy.

While discussing the report this morning, Father Valentin of the Catholic Mission, said: "It is altogether an unfounded rumor. I saw Brother Dutton myself not long ago and he was the picture of health. He has read that story of his death innumerable times and his written several letters of denial to the States about it."

"I have received several letters from Molokai this morning and there is not a word in any of them about Brother Dutton being sick. I heard from Father Emmeran this morning, who lives with Brother Dutton, and who can be sure if Brother Dutton has been sick he would have mentioned it. No, all these stories are absolutely baseless."

Brother Dutton is not a priest but a lay brother who has devoted himself to missionary work among the lepers on Molokai for the past thirty-five years. Before entering the missionary field, the lay brother was known as Captain Ira Barnes Dutton and served throughout the Civil War with a regiment of Vermont Zouaves.

## KAU DITCH BILL UP TO PRESIDENT

KAU DITCH BILL. The Kau ditch bill passed the House yesterday as amended by the Senate, and is now up to the President for approval. It appears from a letter received by F. E. Thompson from E. M. Watson, that the Senate amendment was one striking out a provision restricting the company to obtaining revenue from water alone. News of the passage of the bill by the senate was given in a special cablegram to the Star-Bulletin on Thursday, followed the next morning by a cablegram from Mr. Watson to Mr. Thompson mentioning an amendment and stating that it was expected the bill would pass the House this week. Mr. Watson was enabled, the first day of the House week, to cable the good news that the expectation had been fulfilled.

### ARE MICROBES IN YOUR SCALP?

It Has Been Proved That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabouraud, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebium, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance, when this happens there is no hope of the growth of hair being revived.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots, and overcome baldness, so long as there is any life left in the hair roots.

We back-up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently help to restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by aiding in making every hair root, follicle and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

We exact no obligations or promises—we simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and \$1.00. Remember, you can obtain it in Honolulu only at our store—The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel Sts.

### PAUL ISENBERG'S CANADIAN TRIP

Paul Isenberg left in the Siberia last night on his way to Canada, where, according to a statement he made to the Star-Bulletin a few days ago, he intends going into a large enterprise, but without abandoning Hawaii. He will return in a few weeks when his negotiations are completed. In California, on his outward journey, Mr. Isenberg will look into some mining investments. Both in business and public life Mr. Isenberg has been closely identified with the development of Hawaii. He is the largest dairyman in Honolulu and has been president of the Senate, a member of the board of agriculture and connected with many local institutions of civilization.

## WOMEN WHO LOOK TIRED

Should Learn How to Avoid Appearing Old Before Their Time.

Some women always wear a worn, tired look. It is the outward sign of nervousness with its accompaniment of worry, headache and sleeplessness.

It is useless to tell some women to rest. Circumstances will not permit. But it is always possible to build up the strength to meet the strain.

Overwork seldom kills. Worry often does. If you would keep the worn look from your face strengthen your system with Dr. Williams' Pink Pills and do not worry. Dr. Williams' Pink Pills are a blessing to women. They preserve the beauty that health alone can give, the youthful brightness of eye, the color in cheeks and lips that comes alone from rich, red blood.

Mrs. John Uter, of Puyallup, Wash., says: "For eight years I was able to work only part of the time and often could just drag around. Most people would have given up and gone to bed. I was so nervous that I could not get much sleep and was subject to headaches and dizzy spells. My stomach was out of order all of the time and I was troubled with gas forming on it. I would often have smothering spells when I could not raise myself up. I took a great many kinds of medicine but found no relief until I followed a friend's advice and tried Dr. Williams' Pink Pills. They helped me right away. I could sleep better, was not so nervous and became stronger. I used the pills for some time and was entirely cured. Since then I have always had Dr. Williams' Pink Pills in the house. My husband had a severe case of inflammatory rheumatism which settled in his hands and feet. A few boxes of the pills cured him and he has never had a return of the disease."

Get a box of Dr. Williams' Pink Pills from your druggist today. Do not delay. Begin the treatment now. Write the Dr. Williams Medicine Co., Schenectady, N. Y., and learn what the pills have accomplished in cases like your own. If you cannot get Dr. Williams' Pink Pills readily near home send fifty cents for one box or \$2.50 for a half dozen, by mail, postpaid.

Two helpful booklets, "Building Up the Blood" and "Plain Talks to Women," giving more information about the remedy will be sent free to any address on request.
